DAY ONE
Take the short journey to Pegasus Golf Club, former host of the New Zealand Women’s Open. This parkland-style course will provide manicured beauty, but the always-present breeze of Christchurch will keep you thinking around the course.

In the afternoon, take a stroll through the beautiful Botanic Garden on the banks of the Avon River to discover why Christchurch is called ‘The Garden City’. Or enjoy the view from the water, hiring a traditional water gondola at the nearby Antigua Boat Sheds and punting down the river in luxury. Then jump on an historic tram for a loop to see some of the brilliant artwork and design projects underway in the central city.

DAY TWO
Play a morning round at Clearwater Golf Club, host of the New Zealand Women’s Open recently won by Lydia Ko. Clearwater combines great golf, great service, and great facilities at this parkland golf course.

After your round, make your way to the small town of Windwhistle, approximately an hour’s drive into the stunning foothills of the Southern Alps, and the high country golf resort of Terrace Downs. Spend the afternoon participating in one of the many on-site activities, from clay pigeon shooting, archery, salmon or trout fishing, to horse trekking or indulging in a spa treatment. Finish the day off with dinner at one of the resort’s three on-site dining options.

DAY THREE
Spend your morning on the Terrace Downs high country course taking in spectacular views of Mount Hutt and the Rakaia River Gorge. The course offers scenery and variety, with holes that wind through the property and a superb mix of par threes. Return with a sightseeing drive through the high country and the famed Canterbury Plains before ending your trip at one of Christchurch’s vibrant ‘pop up’ venues. Choices include Revival Bar, a unique venue made from shipping containers and suitcases, or Smash Palace, which repurposes a bus for its bar.
